FY 2026 Community Development Block Grant Program (CDBGP)

In order to make application for the Community Development Block Grant and in accordance with the procedures mandated by the State of Tennessee, it was necessary that a public meeting occur for the presentation of the funding categories and of funds available through the Community Development Block Grant Program and required application procedures.

Evan Sanders with Community Development Partners presented information on the FY2026 Community Development Block Grant Program. He explained the different funding categories and that the city would be applying for the community livability public health and safety fire protection equipment portion of the grant. This portion of the grant has a grant maximum of \$420,000 and if the city chooses it could be used to apply for the purchase of a fire engine/truck. The grant match requirement of the city is 24%. As a requirement of the grant, a public meeting had to be held by February 6, 2026. The application will be due by March 20, 2026.

There being no further business to come before the board, Vice Mayor Gilmore moved for adjournment. Alderman Gregory seconded.
