Okay, if everyone could take a look at the minutes for the city meeting April 20,

00:01:49 Speaker 4

1st 2026.

00:02:32 Speaker 4

In this particular one we have two different ones for the 21st.

00:02:37 Speaker 4

One was the special call and the second one is the regular city.

00:02:43 Speaker 4

So we can look at both.

00:03:01 Speaker 6

00:03:35 Speaker 2

Aye.

00:03:40 Speaker 4

Okay, I'd like to make a motion that we move item 8, mayor's comments to now.

00:03:57 Speaker 7

These are the citizens' comments.

00:04:00 Speaker 4

Yes.

00:04:02 Speaker 2

Just for this meeting.

00:04:03 Speaker 4

Just for this meeting.

00:04:04 Speaker 2

I'll second that.

00:04:06 Speaker 4

Okay, any questions?

00:04:10 Speaker 4

Okay, all in favor.

00:04:12 Speaker 2

Aye.

00:04:14 Speaker 4

Okay, mayor's comments.

00:04:15 Speaker 4

I've got something I'd like to read to everyone.

00:04:23 Speaker 4

Clarify some issues and see if we can move forward.

00:04:28 Speaker 4

So good evening members of the board, city, staff, and residents of our community.

00:04:33 Speaker 4

I want to speak directly to everyone in this chamber about something more important than any single agenda item before us.

00:04:42 Speaker 4

And that is the way we conduct ourselves as public servants and as citizens participating in local government.

00:04:51 Speaker 4

I want to address my fellow board members directly.

00:04:55 Speaker 4

looks to us to set the tone for the city.

00:04:59 Speaker 4

We may hold differing opinions, advocate for competing priorities and debate issues vigorously.

00:05:08 Speaker 4

But we must do so with professionalism and restraint and mutual respect.

00:05:18 Speaker 4

Disagreement is not disrespect.

00:05:22 Speaker 4

Personal attacks, hostility,

00:05:25 Speaker 4

or conduct that undermines the integrity of this body only weakens public confidence in the city's local government.

00:05:35 Speaker 4

Excuse me.

00:05:37 Speaker 4

Our city government exists to serve the public.

00:05:41 Speaker 4

The service by us as board members depends on trust, transparency, accountability, and respectful engagement, even and especially when we disagree.

00:05:53 Speaker 4

Debate and deliberation is anticipated and expected between us.

00:06:00 Speaker 4

The citizens have every right to express concern, disappointment, frustration, and opposition to the actions, decisions, or direction of this board and its board.

00:06:12 Speaker 4

Public comments is an essential part of the democratic process, and we should and shall remain committed to protecting that right.

00:06:24 Speaker 4

However, there is a clear distinction between strong public criticism and conduct that disrupts order, intimidates others, or crosses into threats and harassment.

00:06:38 Speaker 4

Threats against board members, officials, staff members, residents, or any participant in these BOMA proceedings will not be tolerated under any circumstance.

00:06:51 Speaker 4

Every person in this chamber deserves to feel safe while participating in their civil duties, jobs, and civic discourse.

00:07:01 Speaker 4

Therefore, effective immediately and consistently moving forward, the established rules of decorum and procedures for public meetings will be enforced fairly and uniformly.

00:07:15 Speaker 4

These procedures are not intended

00:07:18 Speaker 4

To silence anyone, they exist to ensure that every voice has the opportunity to be heard in an orderly, lawful and respectful environment.

00:07:32 Speaker 4

For members of the public wishing to speak during public comment.

00:07:39 Speaker 4

One.

00:07:40 Speaker 4

Speakers will be recognized in accordance with meeting procedures and citizens comments guidelines.

00:07:46 Speaker 4

Two timelines will

00:07:48 Speaker 4

Four comments will be observed equally for all participants.

00:07:54 Speaker 4

Comments should address matters within the jurisdiction of the board or the item being discussed.

00:08:02 Speaker 4

Four, criticism, policies, decision, votes, and governmental actions is permitted and protected.

00:08:13 Speaker 4

Five, personal threats, intimidation, disruptions, or conduct

00:08:18 Speaker 4

preventing the orderly continuation of the meeting will not be permitted.

00:08:24 Speaker 4

Six, individuals who fail to comply with the meeting rules may be ruled out of order and requested to adhere or leave the meeting.

00:08:40 Speaker 4

We encourage residents to continue participating, asking difficult questions,

00:08:45 Speaker 4

challenging decisions, and holding elected officials accountable.

00:08:50 Speaker 4

The accountability is fundamental to the public service, but accountability must be exercised through lawful and respectful civic engagement, not through hostility, personal attacks, or intimidation.

00:09:07 Speaker 4

At the end of the day, every person here shares a common goal, the well-being of our city and its future.

00:09:15 Speaker 4

We as board members or the citizens will not always agree on how we achieve that goal, but we can and must commit ourselves to conducting this work with civility.

00:09:30 Speaker 4

Thank you all for your continued commitment to Ridge Stop and our community.

00:09:42 Speaker 4

Okay, citizens comments.

00:09:45 Speaker 4

Right into it.

00:09:48 Speaker 3

Say welcome my name is Johnny I live in 2021 Rebecca Graham I just have a request paragraph 10 subparagraph E which you're going to be talking about changing next month's city meeting to the Tuesday prior on the 9th which is also the park board meeting so I'd like to request that you either move it to Monday at the regular time or Wednesday so that those who go to the park board meeting on Tuesday can still do that

00:10:16 Speaker 3

So if you have to make a motion, I request whoever make a motion to change it from next month, Tuesday, to either the Monday or the Wednesday, late Tuesday for the farm board.

00:10:28 Speaker 3

That's it, thank you.

00:10:29 Speaker 2

Thank you, sir.

00:10:35 Speaker 4

Anyone else?

00:10:39 Speaker 1

Kristen Harrison, 412 Hazel Drop.

00:10:41 Speaker 8

You have to come forward.

00:10:50 Speaker 9

I just want to say thank you to appreciate the guys for putting up the flags because nothing makes me feel more proud than to roll through our town and see those flags applying.

00:11:00 Speaker 9

So thank you guys.

00:11:02 Speaker 9

And I had an event at Pioneer Park and I just wanted to say how nice it is to have the sidewalk in and just how great that is.

00:11:10 Speaker 9

And I'm excited for the paving because everyone made big compliments on how nice and quaint and everything that part was so I just want to give kudos.

00:11:19 Speaker 4

Thank you very much.

00:11:21 Speaker 4

Thank you.

00:11:23 Speaker 3

Mr.

00:11:24 Speaker 3

Mayor.

00:11:25 Speaker 4

Thank you, thank you.

00:11:26 Speaker 4

Anyone else?

00:11:29 Speaker 2

Okay.

00:11:32 Speaker 4

Commissioner reports.

00:11:35 Speaker 4

Finance and administration.

00:11:38 Speaker 4

We're currently winding up the budget process.

00:11:42 Speaker 4

We'll have the final budget presentation at next month's meeting.

00:11:49 Speaker 4

It's going along well.

00:11:51 Speaker 4

I think Kelly has done, Kelly and Crew, has done a remarkable job in getting this put together.

00:11:58 Speaker 4

It's been a difficult budget to put together, but they have done a remarkable job.

00:12:08 Speaker 4

Public works and streets.

00:12:13 Speaker 4

We have, street-wise, we had a repair done on 3CM.

00:12:19 Speaker 4

We had a situation there where the road was sinking, giving away, so we got it repaved and corrected.

00:12:29 Speaker 4

Lake Road, part of Lake Road in a certain area was washing away, we've had that repaired.

00:12:36 Speaker 4

Projects in the works, Highland, Upper Highland is due to be paved before the end of our fiscal year this year.

00:12:46 Speaker 4

And as Kristen elated or related to, we're working on potentially repaving Pioneer.

00:12:58 Speaker 4

Parks and Recreation.

00:13:02 Speaker 7

Parks and Recreation has been and is fixing to be very busy.

00:13:08 Speaker 7

Rededication on April 30th went very well.

00:13:12 Speaker 7

Estimate around 100 people was there for it.

00:13:16 Speaker 7

And it went over very well.

00:13:18 Speaker 7

And it could not have happened, would not have happened without a lot of help from Alderman Seneff and his wife, Stephanie.

00:13:25 Speaker 7

They worked overtime and took out their own time and money to help put her down.

00:13:31 Speaker 7

And we're very grateful to Mayor Shaw.

00:13:35 Speaker 7

Everything we asked for, we got.

00:13:38 Speaker 7

And we had a very good turnout.

00:13:39 Speaker 7

It was a very good day.

00:13:42 Speaker 7

And in tonight's meeting, we are going to be looking at some bids for paving over at Pioneer Park.

00:13:50 Speaker 7

As anybody that's been there knows that the loop around the park is in desperate shape, needs to be paved, and a couple of dead trees taken out this past week, and Pioneer is coming together very well.

00:14:04 Speaker 7

And as far as Station Park goes,

00:14:07 Speaker 7

We're going to be getting started, I think, this next week on the fence running down the driveway.

00:14:14 Speaker 7

When you first enter the park on the right hand side, people like to cut in between the trees, but we're going to run a fence down through there.

00:14:22 Speaker 7

There will be a gate where vendors and stuff can get in, fire trucks can get in if need be, but we're going to run a fence down through there and hopefully save some of those trees.

00:14:33 Speaker 7

We're also going to be closing the park for a couple of days.

00:14:36 Speaker 7

I believe it's the 27th, 26th, 27th.

00:14:41 Speaker 7

We're going to be resealing the walking trails.

00:14:45 Speaker 7

They were paved years ago and it's time to get them sealed so we can save them.

00:14:51 Speaker 7

26th, 27th, the park will be closed so we can seal the walkways.

00:14:59 Speaker 7

We're going to be, well I say we, there will be an event Green Ridge Chamber of Commerce is putting on over at Stage and Park on June the 6th, Touch the Truck.

00:15:10 Speaker 7

There are going to be ambulances, fire trucks, police cars, and other amenities.

00:15:15 Speaker 7

And it's just more or less to get to know our first responders, our neighbors, and Green Ridge Chamber is putting that on.

00:15:25 Speaker 7

July 3rd, we have a fireworks event.

00:15:28 Speaker 7

scheduled for Bridgetop Station.

00:15:31 Speaker 7

And again, Stephanie is working overtime.

00:15:38 Speaker 7

She is doing a fantastic job getting us vendors lined up, activities lined up, and it's going to be at no charge.

00:15:46 Speaker 7

The city's putting this on for our community.

00:15:50 Speaker 7

So plan on coming out for the fireworks show.

00:15:54 Speaker 7

bounce houses, and I can't begin to give you all the amenities that's going to go on that night.

00:15:59 Speaker 7

But we're looking very much forward to having a evening of the city where all the citizens can come together and just have a good time.

00:16:08 Speaker 7

And that's probably all I need to get into tonight.

00:16:12 Speaker 4

That was enough.

00:16:13 Speaker 7

It was.

00:16:15 Speaker 4

And I would like to say thank you to Stephanie and the Park Board as well.

00:16:23 Speaker 4

This is a rather detailed event that we're gonna be putting on July the 3rd, and we need all the volunteers' help we can get.

00:16:35 Speaker 4

So any help would be greatly appreciated.

00:16:38 Speaker 4

Just reach out to Anna or Dale and offer some assistance.

00:16:48 Speaker 4

Okay, planning and zoning.

00:16:50 Speaker 2

Planning and zoning, forgive me.

00:16:53 Speaker 2

We did not have a meeting last month, so fairly quiet.

00:16:57 Speaker 2

We do have one coming up with several things to be addressing.

00:17:01 Speaker 2

But I do know there's, in the last 30 days, we've had a permit pulled for a garage, one mechanical, an accessory building, and a pool.

00:17:11 Speaker 2

But we'll be having a meeting here in the next week.

00:17:16 Speaker 2

So I apologize, my voice and my

00:17:24 Speaker 2

Not really feeling that well and trying not to come across in any way that would be disrespectful.

00:17:31 Speaker 2

If you saw my eyes right now, you'd think I was angered, but it's just allergies, hay fever, something.

00:17:37 Speaker 2

And so I'm trying to...

00:17:43 Speaker 2

Thank you, Mr.

00:17:44 Speaker 2

Mayor.

00:17:44 Speaker 2

I appreciate that.

00:17:45 Speaker 2

I'm done.

00:17:51 Speaker 2

I'm going to tell you what she said.

00:17:55 Speaker 4

Okay, Community and Economic Development, Ms.

00:17:58 Speaker 4

Morton isn't here this evening.

00:18:01 Speaker 4

Utilities, let's see, the Gas Department responded to 39811 locate requests, completed eight work orders, performed multiple service disconnects and reconnects.

00:18:18 Speaker 4

Sewer department completed 10 work orders, addressed 39 811 locate tickets, carried out multiple service disconnects and reconnects, and checked the sewer building daily at Lake and 41.

00:18:36 Speaker 4

And some additional things for parks.

00:18:39 Speaker 4

They cleaned and sanitized all public restrooms on a weekly basis, and they mowed Pioneer and Station Park weekly.

00:18:48 Speaker 4

to maintain a safe queen and attractive appearance for the community use.

00:18:53 Speaker 4

And I also like to reiterate the fact, thank you Cecil.

00:18:57 Speaker 4

Those flags do look tremendous.

00:19:01 Speaker 4

Really like that addition put up in our city.

00:19:08 Speaker 4

All right, fire and police.

00:19:12 Speaker 6

Calls responded to during the period April 1st through April 30th, 2026.

00:19:18 Speaker 6

Storm damage, we had four eight first responders, 15 EMS assist, 11 miscellaneous, two false alarm, one vehicle fire, two 1045, and one brush and grass fire.

00:19:34 Speaker 6

22 calls inside the city, 22 outside the city, and three mutual aid.

00:19:39 Speaker 6

And we're still working on a grant, buying some equipment through a grant.

00:19:47 Speaker 6

some additional equipment that we're moving into this budget because we still have some money left over, so rolling up.

00:19:57 Speaker 6

Okay.

00:19:57 Speaker 6

All

00:20:00 Speaker 4

right, City Recorder Kelly is not here this evening, but again, we're winding up the budget process and that will be finalized next month.

00:20:14 Speaker 4

Attorney Russell Freeman.

00:20:17 Speaker 8

We do have confirmation from Mike Bauer that the 1775 Nelson is not installing an apartment.

00:20:26 Speaker 8

That they're just roommates over there living in the house.

00:20:30 Speaker 8

There's three of them and they're not making any additions to expand residential units.

00:20:37 Speaker 8

With regard to the ordinance in draft form,

00:20:42 Speaker 8

I'd hoped I could get it to everybody to start looking at by June meeting, but with it possibly being moved up soon or as quick as the 9th or somewhere around there, it could be a little difficult, but I'll do my best.

00:20:54 Speaker 8

And then that way, but when I have enough time for everybody to look at it, and then because it's going to be multiple pages regarding the ability to drive on the streets with multi-axles or overweight vehicles.

00:21:08 Speaker 8

It's a difficult area to

00:21:10 Speaker 8

to wade into that can be done lawfully and legally.

00:21:13 Speaker 8

And that's all I have, Mr.

00:21:15 Speaker 8

Mayor.

00:21:16 Speaker 4

Thank you very much.

00:21:19 Speaker 4

Okay, old business.

00:21:20 Speaker 4

We have none this evening.

00:21:23 Speaker 4

We'll get into the new business.

00:21:25 Speaker 4

First item on the agenda is Ordinance 26-103.

00:21:33 Speaker 4

This is an ordinance of the city of Ridgetop, Tennessee amending budget ordinance number 2025-104 for the fiscal year beginning July 1, 2025 and ending June the 30th, 2026.

00:21:50 Speaker 4

Due to a variety of price increases that we have run across this year as well as

00:22:05 Speaker 4

Some things that we didn't anticipate, surprises.

00:22:09 Speaker 4

We've had to amend several different areas.

00:22:14 Speaker 4

First one is in the general fund, data processing support service.

00:22:21 Speaker 4

We had to increase that this year by \$2,232.

00:22:25 Speaker 4

The second one is an increase for office supplies.

00:22:33 Speaker 4

about \$4,200.

00:22:34 Speaker 4

The next one is computer and copier expense.

00:22:42 Speaker 4

That's an increase of \$1,900.

00:22:46 Speaker 4

The next one is the increase for general government building insurance.

00:22:55 Speaker 4

That one is increasing by \$8,000.

00:23:01 Speaker 4

Repair street maintenance, \$23,000 increase.

00:23:08 Speaker 4

We've had general customer operating expenses.

00:23:16 Speaker 4

Health insurance is increasing \$3,886.

00:23:23 Speaker 4

Way going professional is increasing \$5,000.

00:23:32 Speaker 8

It's another lawyer.

00:23:33 Speaker 2

There's other professionals.

00:23:37 Speaker 4

Yes.

00:23:38 Speaker 4

Audit services are increasing \$6,000.

00:23:41 Speaker 4

In the sewer department, data processing support services, \$1,400.

00:23:50 Speaker 4

Let's see.

00:23:55 Speaker 4

Transmission and distribution.

00:23:58 Speaker 4

Category of repair and maintenance is increasing \$15,000.

00:24:04 Speaker 4

Gas department, general customer operating expenses salaries, increasing \$14,128.

00:24:10 Speaker 4

And that one primarily was the hiring of the new employee, Brandon.

00:24:19 Speaker 4

Let's see, we've got legal services and professional, increase of \$6,000.

00:24:30 Speaker 4

Data processing support service increased \$5,000, which is some additional software.

00:24:38 Speaker 4

Public awareness increasing \$1,300, which was we had some more events this year than we have had in the past.

00:24:48 Speaker 4

And insurance on the building increased up by \$1,623.

00:25:02 Speaker 4

The capital outlay, we're increasing that \$6,186, primarily due to gas line repair that had to be done this year that we did not anticipate in the amount of \$26,000.

00:25:24 Speaker 4

And Nightport Line was \$13,000 more than we had.

00:25:30 Speaker 4

budgeted for.

00:25:32 Speaker 4

Source of supply, this one is going up \$100,000 and that's primarily due to coal January that we had and gas price increase.

00:25:52 Speaker 4

Transmission and distribution, repair and maintenance, that one increased \$10,000.

00:26:02 Speaker 4

And finally, meter and purchase repair was a \$5,000 increase.

00:26:10 Speaker 4

So those are the adjustments that we have had to make to our budget for this year ending June 3rd.

00:26:25 Speaker 4

Excuse me?

00:26:33 Speaker 8

Do we have a motion?

00:26:34 Speaker 4

Yes.

00:26:37 Speaker 6

We have to have a motion on that to accept these.

00:26:39 Speaker 4

Yes.

00:26:44 Speaker 6

I make a motion we accept ordinance number 2026, one, this is actually 103.

00:26:50 Speaker 8

Yeah, I'll try to address that.

00:26:52 Speaker 8

There appears to be a typographical error, either the

00:26:55 Speaker 8

actual ordinance says 104 which is wrong or the agenda says 103 which is wrong but I believe it is the ordinance that's the error and not the agenda 2026-104 I think it's supposed to be 103 but but that will it's been read and what it is so we get the Kelly can correct that.

00:27:21 Speaker 6

I make a motion we accept ordinance number 2026-104 an ordinance to the city of Ridgetop Tennessee amending budget ordinance 2025-104 for the fiscal year beginning July 1st 2025 and ending June 30th 2026.

00:27:41 Speaker 2

I'll second.

00:27:42 Speaker 4

Any questions?

00:27:47 Speaker 4

All in favor.

00:27:49 Speaker 2

Aye.

00:27:51 Speaker 2

I second.

00:28:08 Speaker 2

00:29:23 Speaker 4

No, this is for the

00:29:26 Speaker 4

This is a consideration of authorizing a rate study for the sewer system.

00:29:33 Speaker 4

We have to go back in and do another rate study for the sewer department due to rising costs.

00:29:43 Speaker 4

And the cost to do the rate study is \$10,000.

00:29:57 Speaker 4

And that's covering all travel, printing, miscellaneous expenses.

00:30:04 Speaker 4

But it's something, unfortunately, that we have to do again.

00:30:12 Speaker 2

Quick question.

00:30:14 Speaker 2

How much is that going up from the last time you did it?

00:30:16 Speaker 2

It's a great study.

00:30:19 Speaker 4

Right off the end, no, I do not.

00:30:23 Speaker 2

Remembering a lower figure and I know things have gone up, so I'm sitting there going to file.

00:30:28 Speaker 2

I mean, I know it needs to be done because the cost of everything is increasing.

00:30:32 Speaker 2

We've got to be able to cover all the expenses that burn the departments.

00:30:35 Speaker 4

Yes.

00:30:36 Speaker 2

All right.

00:30:46 Speaker 4

So could I get a motion?

00:30:51 Speaker 6

I'll make a motion we approve the rate study for the sewer system.

00:30:59 Speaker 6

I'll second.

00:31:02 Speaker 4

Any questions?

00:31:03 Speaker 8

And that's for the total upset fee of.

00:31:16 Speaker 4

\$10,000.

00:31:16 Speaker 4

\$10,000.

00:31:17 Speaker 4

Okay.

00:31:17 Speaker 4

Did we miss one?

00:31:19 Speaker 8

00:31:19 Speaker 4

Yes, we did.

00:31:23 Speaker 4

00:32:02 Speaker 4

Okay, bid approval for the paving of Bobby Graham Pioneer Park.

00:32:08 Speaker 4

We received three bids.

00:32:12 Speaker 4

Sessions paving came in at \$36,500.

00:32:18 Speaker 4

Crown paving came in at \$35,485.32.

00:32:24 Speaker 4

And Cedar Ridge Services came in at 27,995.

00:32:31 Speaker 6

Cedar Ridges, we've used them for, are they the ones that built the bridge?

00:32:36 Speaker 4

No.

00:32:37 Speaker 2

That's CRS.

00:32:38 Speaker 6

Okay.

00:32:39 Speaker 4

That's CRS, we've used them on multiple projects.

00:32:45 Speaker 2

00:33:34 Speaker 2

And you're wanting the 8th?

00:33:35 Speaker 3

8th or 10th, whichever.

00:33:37 Speaker 2

Monday would probably be better.

00:33:39 Speaker 3

Monday or Wednesday?

00:33:40 Speaker 4

Yeah, let's consider if everyone's available, June the 8th.

00:33:45 Speaker 8

Is it the first Monday?

00:33:47 Speaker 4

Yes.

00:33:47 Speaker 8

I would not be able to be here.

00:33:51 Speaker 8

It's second Monday, Doug.

00:33:54 Speaker 8

Seven days away.

00:33:56 Speaker 2

00:33:58 Speaker 2

Yep, second Monday.

00:33:59 Speaker 8

Okay.

00:34:29 Speaker 6

We just tell Kelly what to do.

00:34:33 Speaker 2

00:34:35 Speaker 6

I'll say that 'cause she ain't here.

00:34:37 Speaker 4

Yeah, it's easier that way.

00:34:41 Speaker 2

Don't record.

00:34:43 Speaker 6

Too late.

00:34:44 Speaker 4

Get a motion to move the meeting.

00:34:48 Speaker 6
