Permit Office Use:

This permit becomes null and void if work on authorized construction is not commenced within 6 months, or if construction or work is suspended or abandoned for a period of 1 year any time after work is commenced. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified here in or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating constructing or the performance of construction.
